All of your gear and provisions are weighed. North Caribou Camps has a weight limit of 70 lbs. per person.

The main camp on Cemetery Island boasts 3 two bedroom sleeping cabins, an over-sized cook cabin, shower house with 2 three piece baths, fish cleaning house and a camp attendant to ensure everything runs smoothly.

Our new log 4-6 man cabin, also on Cemetery Island, is completely set up with full kitchen, bath and private dock.

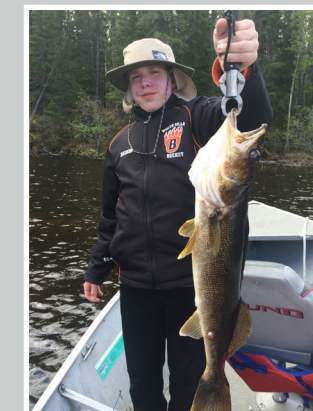

**** Why not leave the cooking and clean-up to us by taking advantage of our Meal Package. You focus on the fishing and relaxation. We bring in an experienced cook to serve up delicious meals to suit everyone. Think what this could save you on preparation time and also the difference in keeping to your weight limit of 70 lbs. Give it a try!**

Imagine.....

The HUGE 81,000 +/- acre lake (15 x 25 miles) is a biological bastion for big fish. Whether it is 40" plus Northern or Walleye approaching 10lbs., the action is nothing short of awesome. Dotted with countless islands, reefs, bars, weedy bays, inlets and outlets; there is simply no end to the structure for fishing. Mother Nature's scenic beauty provides the home videoist with an awe inspiring backdrop to a wilderness fishing adventure of a life time.
